**To: Calaveras County**  
**Nathan Atherstone**  
**Transportation & Transit Planner**

**Special Events:** MV provided charter service for 3 events this month. The first was for the Murphys Grape Stomp on Oct 1<sup>st</sup> doing shuttle service in Murphys. The second was for the Arc 2000 PAWS group on Oct 22<sup>nd</sup>. We carried passengers from the entrance parking lot to the elephant enclosures and back. The third charter was a wedding charter on Oct 29<sup>th</sup> from Murphys to St. Patrick's Catholic Church in Angels Camp and then a return to Ironstone Vineyards.

**On time performance checks:** On time performances had been check periodically through out the month of October. There were not any significant problems of drivers running ahead of schedule.

**Trends:** There has been a drop off in passenger ridership as fuel prices have decreased. Also as seen in previous years, as the school year progresses, ridership to Columbia College starts dropping as some students only have half semester courses or withdraw from classes.

**Comments/Compliments/Complaints:** Calaveras Transit Driver Norberto Bradley was featured in an article in the Calaveras Enterprise concerning his participation in the Hurricane Katrina relief effort. He was part of the MV effort to provide assistance after the devastating hurricane hit New Orleans.

**Safety and Training:** October's Safety Meeting was a meeting with Nathan Atherstone who discussed the proposed schedule changes as well as a discussion on penalties for leaving stops early or missing passengers.

We have had two additions to our crew of drivers. Melinda Skaar and Michael Thomas have completed the required training and are now driving for Calaveras Transit on a part time basis. Congratulations and welcome to both new drivers.

**Route Cancellations:** On 10/3, the 10:28 Rt. 1 run to Valley Springs and Angels Camp was cancelled due to vehicle breakdown.

On 10/4, the Rt. 3, West Point runs were cancelled due to lack of vehicles.

On 10/27, the 3:17pm departure to Arnold was cancelled due to the road being blocked by an accident.

On 10/31, the 11:06am from the ACVC to San Andreas did not occur due to a scheduling error.
