Route 1 had 2,550 passenger trips in April and 2,314 passenger trips in May. There was a decrease of 236 passenger trips on Route 1 in May.

Route 2 had 892 passenger trips in April and 820 passenger trips in May. There was a decrease of 72 passenger trips on Route 2 in May.

The Calaveras County Fair Shuttle ran from May 14th – 18th with a total of 3200 passenger trips. This is an increase of 835 passenger trips from the 2007 Calaveras County Fair.

Route Cancellations:

There were no route cancellations in the month of May.

Comments/Compliments/Complaints:

Safety and Training:

The Safety Meetings for the month of May were held on May 7, 2008. The main focus of these meetings was Emergency Preparedness.

There were no preventable or non-preventable incidents involving Calaveras Transit buses or employees during the month of May.

Overview:

Passenger trips decreased in the month of May due to Columbia College's Spring Semester ending. We are anticipating passenger trips to increase again when Summer Session begins.

On time performance was lower this month due to several road construction projects and delays that caused routes 1 and 4 to run behind for the majority of the month.

Calaveras Transit provided shuttle service for the Calaveras County Fair for the third year in a row, and saw the passenger trips on that run continue to increase.
