Congratulations to Norberto Bradley. He was named the Katherine McClary Operator of the Year for 2007. Norberto was also selected as the Katherine McClary Regional Operator of the Year. As the Regional Operator of the Year, Norberto is now going to compete against 12 other Operators from other regions within MV for the honor of the Katherine McClary National Professional Operator of the Year. The National Operator of the Year will be announced later this year.

There were no preventable or non-preventable incidents involving Calaveras Transit buses or employees during the month of June.

Overview:

Overall passenger trips increased during the month of June. Some routes increased while others showed decreases. With the fuel prices remaining high, we expect passenger counts to continue to rise.

On time performance was lower this month due to several road construction projects and delays that caused routes 1 and 4 to run behind for the majority of the month.

Calaveras Transit received 5 30 foot 2009 model year International buses. These vehicles are designed to transport 20 seated passengers, and 2 mobility devices. We look forward to seeing all of these new vehicles on the road in the very near future.
