12/8 – Route 2 7:00 loop from San Andreas to Mountain Ranch to San Andreas

Comments/Compliments/Complaints:

1 complaint was received regarding the closure of Transit services on December 24.

Safety and Training:

The safety meetings for the month of December were held on December 21st, 2009. The main focuses of these meetings were Adverse Weather Conditions and tire chaining.

There was 1 non preventable incident in the month of December. An adverse driver backed into a parked bus at Save Mart in Angels Camp. There were no injuries, and no damage reported.

Overview:

Due to unusually large amounts of snowfall, and low snow levels service on December 7 was suspended at 9:00 am and cancelled at 11:00 am. Road conditions were extremely unsafe and MV transportation staff collaboratively with Calaveras County Staff decided that closing for the day would be the safest option for our employees and our passengers.

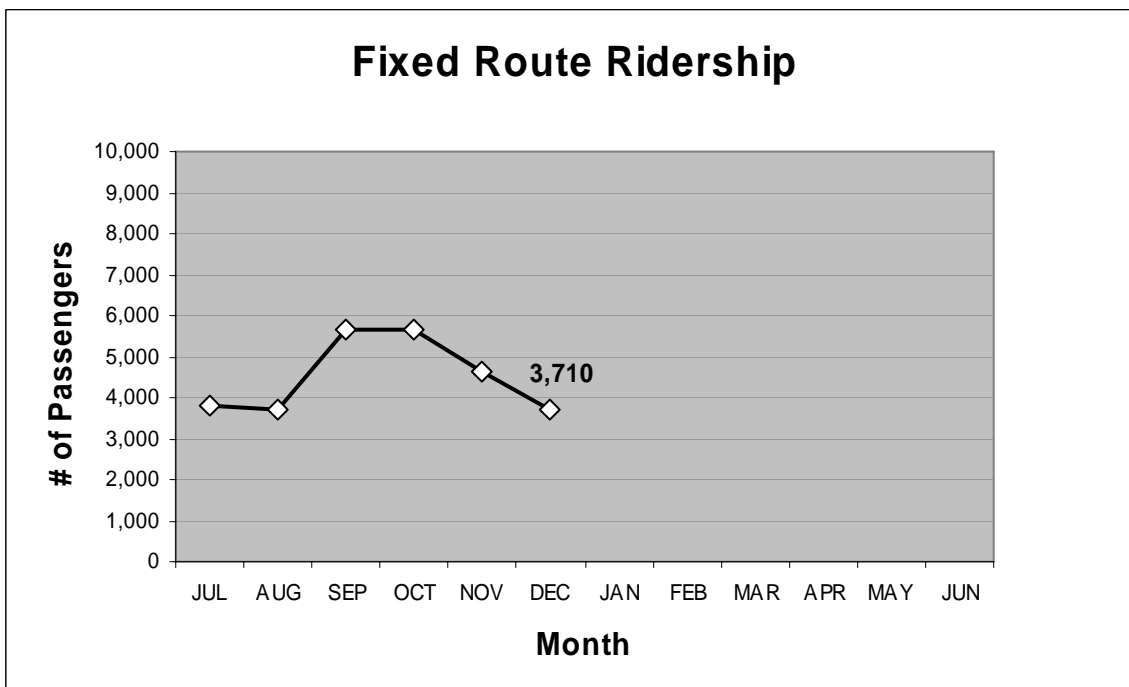

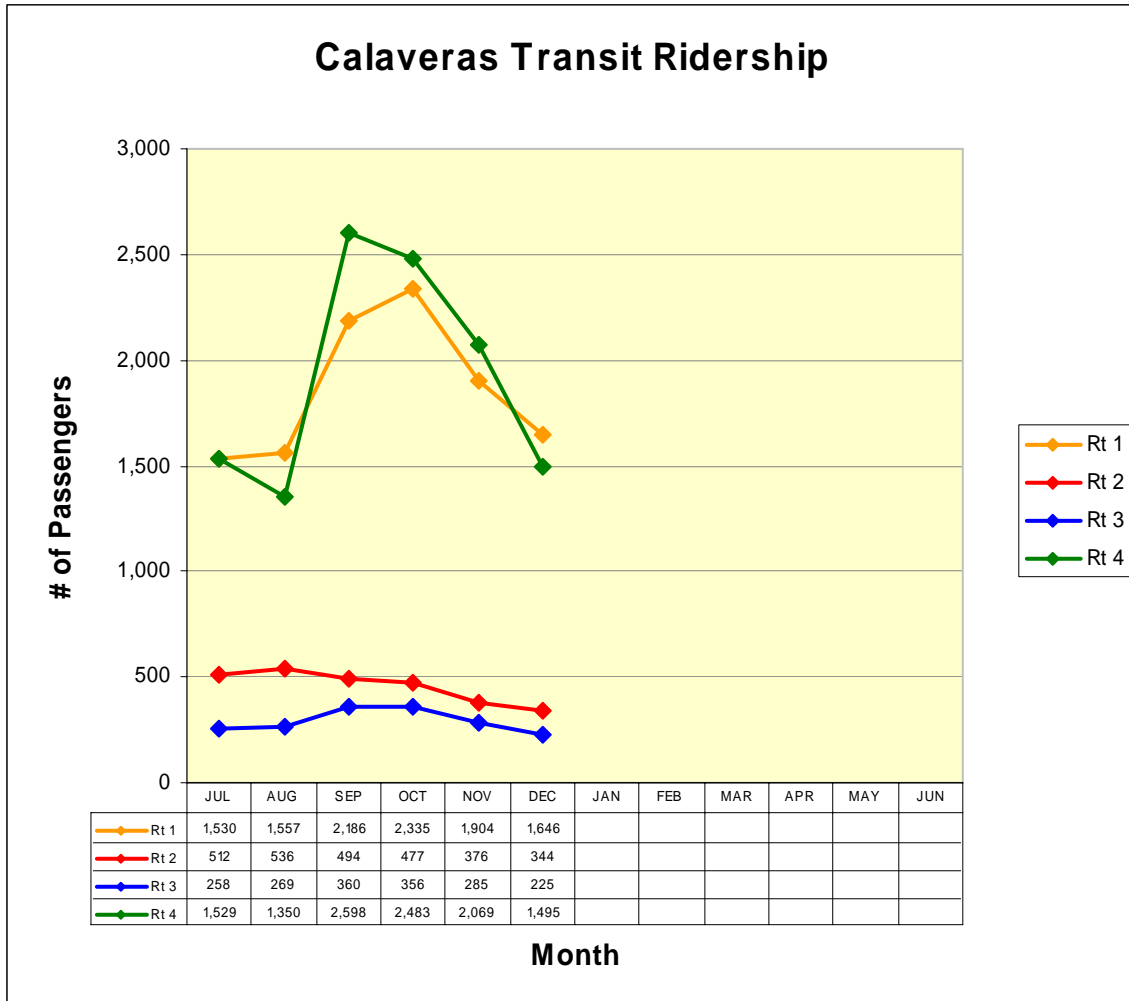

In addition to the winter weather conditions we experienced our seasonal passenger trip reduction as Columbia College and other area schools closed for winter break.
