On time performance checks:

On time performance was checked throughout the month of July. On time percentage for service in July was 88%. On time performance was affected by major road work delays on Highway 49 between San Andreas and Mokelumne Hill, and Highway 49 and 4 in Angels Camp. Deviations and waiting for transfers also contributed to not reaching the on time performance goal for July.

Trends:

Due to major service modifications beginning July 1, 2009 trends will not begin to be established for the new service until August 2009. Route 1 still consists of service to La Contenta, Valley Springs, San Andreas, and Angels Camp. Route 2 which used to consist of service to Jackson, Mokelumne Hill, San Andreas, and Railroad Flat now consists of service to Mountain Ranch, Mokelumne Hill, San Andreas, and West Point. Route 3 which used to consist of service to Mokelumne Hill, West Point, and San Andreas now consists of service to Copperopolis and Angels Camp. Route 4 still consists of service to Arnold, Columbia College, and Angels Camp. Routes 5 and 6 were eliminated.

Route 1 had 1,530 passenger trips in the month of July.

Route 2 had 512 passenger trips in the month of July.

Route 3 had 258 passenger trips in the month of July

Route 4 had 1,529 passenger trips in the month of July.

Comments/Compliments/Complaints:

Countless complaints were received throughout the month about the cancellation of the Lodi Route.

Complaints were also received because routes were running late.

Safety and Training:

The safety meeting for the Month of July has been postponed and has been rescheduled to include the safety topic for August as well. Safety topics focused on during the month were traffic signals and employee injury prevention.

Overview:

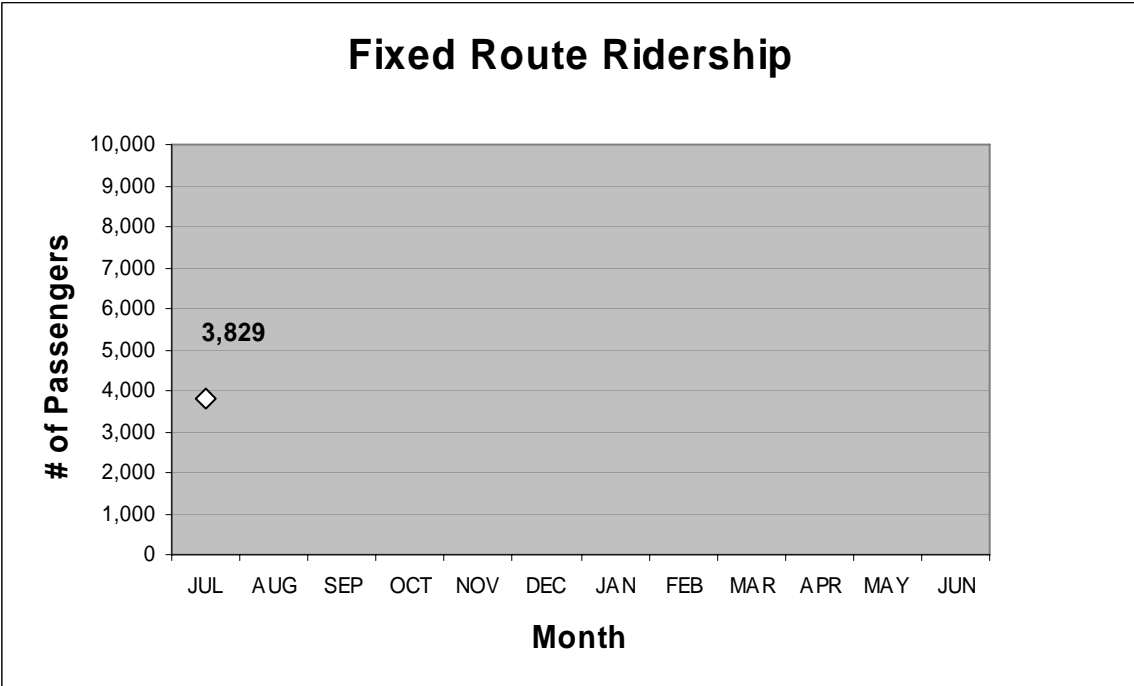

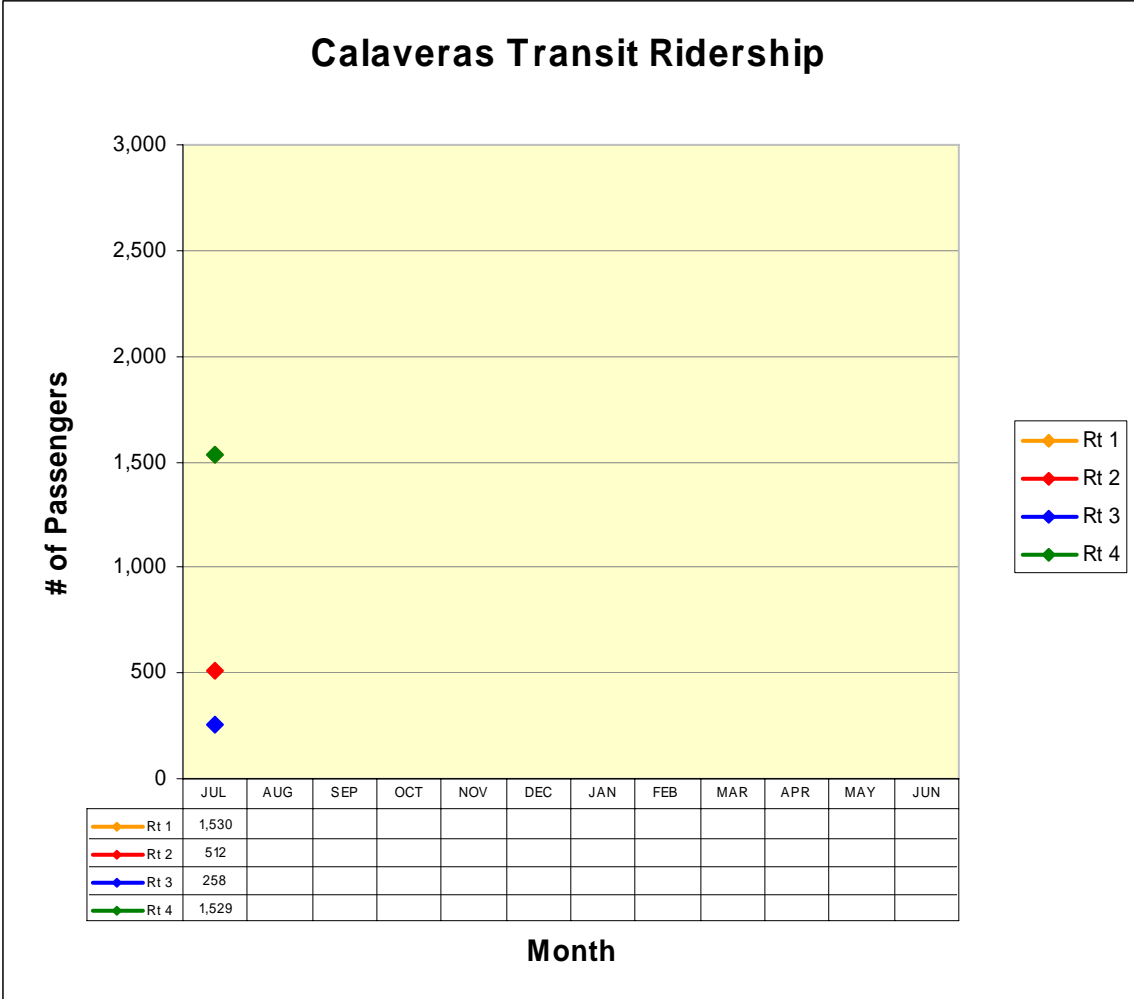

Due to the Major Service modifications we have seen a reduction in the number of passenger trips in July. We are hopeful that through community outreach we will see the number of passenger trips rise.
