**Comments/Compliments/Complaints:****Safety and Training:**

There was no safety meeting during the month of May due to a reorganization of the safety and training program. Meetings will recommence as soon as possible.

**Overview:**

We improved our overall on-time performance this month. The county fair did cause several heavy traffic delays which affected our on-time performance as well as road work in various places on our routes. We did have reduced passenger counts due to several schools having days off due to the county fair and then graduation.
